FTTEGO

PROJECTOR

# FTTEGO R3P

## Full HD portable battery projector

Native 1080p | Built-in battery | Auto focus

Overview

# FTTEGO R3P at a glance

A Full HD projector on a rotating stand with a built-in battery for about 2 hours of cord-free viewing. Auto focus and auto keystone set up the picture for you, and Android 14 brings streaming apps to a 40 to 150-inch screen anywhere.
